NEXT SCHEDULED MEETING: 2022

November 9, 2022

IMPORTANT NOTICE!!

We are now meeting in the conference room at the Hannibal Airport terminal. Take Rt 36 to the Shinn Lane, Hospital exit. Turn right at the end of the ramp. The airport is on the right, about a mile from 36. The driveway for the terminal is the 3rd one for the airport.

MONDAY NIGHT WEEKLY NET CALL LIST – NOVEMBER 2022**STEVE – KDØYTH**

Information about our Monday night nets can be found on the club website, www.w0kem.com and click on FM Repeaters.

SCHEDULED FCC VE TEST DATES FOR YEAR OF 2022

DATES FOR 2022 :

Testing is complete

Registration is requested at least 72 hours before the exam session by contacting the team liaison, Ed Turner at 573-541-9130, or n0wnv.et@gmail.com. If enough VE's are present at the meeting night, any walk ins will be able to test that evening.

The 2020 test fee will be unchanged at \$15.00. It goes to ARRL/VEC. Bring a photo ID (or two non-photo ID's); if currently licensed, bring the original and a photocopy of your valid FCC license; and if you are claiming credit for successful completion of an exam, bring the original and photocopy of any applicable CSCE's.

Exams will take place at 8:00 PM after the regular scheduled HARC meeting.

WALK INS ARE WELCOME.

HARC CLUB DUES:

HARC annual dues are due each January. The dues are very important and are needed to keep repeaters up and running, plus other expenses of the club. The yearly dues fee is \$20.00 per member, & \$5.00 for each additional family member. You can pay at club meetings, or send the money to HARC, P.O. Box 1522 Hannibal Mo, 63401. Thanks!!

**Hannibal Amateur Radio Club
Monthly Meeting Minutes
Call to Order**

The monthly meeting of the Hannibal Amateur Radio Club was called to order at 6:56 PM by club president Don KD0HHN. The following members were present: Don (KD9HHN), Kenny (KE0KCQ), Cliff (K0CA), Dave (KB0RZN), Kevin (AD7OI), Tammy (KI7GVT), Martin (KD0TMJ) and son Noah, Al (N9MAF), Dave (W9WE), Joe (W6JFL), Al (K9AJC), and Ken (WM4D)

Proposals for membership:

None

Changes/Correction to minutes of previous meeting:

There were no changes or corrections to be made to the minutes from the last month's meeting. Al (K9AJC) made a motion to accept the minutes as published and Joe (W6JFL) seconded. The motion was approved by voice vote.

Treasurer's Report:

Kenny (KE9KCQ) made the following treasurer's report:

Last month's checking balance: \$2874.44

This month's checking balance: \$2851.48

CD balance: \$1344.63

Petty cash: \$40.00

Total club assets: \$4236.11

There was a deposit of \$17.00 from 50/50 and an expense of \$39.96. Joe (W6JFL) made a motion to accept the treasurer's as read and Al (K9AJC) seconded. The motion was approved by voice vote.

Repeaters:

Al (N9MAF) reported that he had gone to both sites and preformed SWR and emergency power transfer test on both machines with no problems found. He also said he closed one of the vents at the 880 site.

Old Business:

Don (KD0HHN) brought up the proposed hamfest and asked for a volunteer to head the planning for the event. No one volunteered for the position. He asked members to think about someone that could do the job. If a volunteer isn't found he would appoint someone. It was pointed out that the planning needed to start soon to get everything ready for an April event. He also reported that he had contacted both the Quincy and Pittsfield clubs and both said they would like to be involved.

New Business:

Don (KD9HHN) reported he had renewed our special service club certification with the ARRL. He showed the certificate that had been sent to the club confirming certification.

Don (KD9HHN) reported that he had been contacted by Carol XYL of Mike Fenton N0QJC (SK) about donating all of Mike's radio gear to the club. He and Al (N9MAF) went to the house last week to check out the equipment. There were multiple radios (ham, cb, and receivers) there along with many station accessories. It was suggested that the club use the ham radios to give to new hams as a starter radios that pass their test at our test sessions. It was also suggested that the club could buy several more HT's to give to new hams as well. Joe (W6JFL) made a motion to give the HT's to new hams passing their test and to purchase several more HT's to give away as well. A second was made by Ken (KE9KCQ) and the motion passed by voice vote. Al (N9MAF) went back the next day and started removing the equipment. He read a list of the things he has removed so far. There is more to retrieve and will work on that in the next few days.

New Business

Dave (W9WE) reported that he noticed some items on the club web site that needed to be changed/updated. Don (KD0HHN) said they will work on the corrections.

Don (KD0HHN) said he would like to start some classes on message handling for emergency communications. It would cover using radio grams

and incident command forms. It would also cover what forms to use and how to move messages.

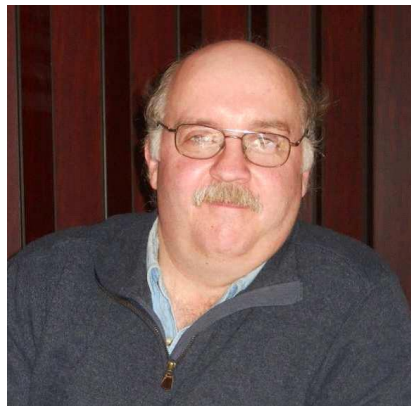

50/50

Joe (W6JFL) won the drawing and donated half of his winnings back to the club.

With no other business a motion to close the meeting was mad by A1 (N9MAF) and seconded A1 (K9AJC). The meeting was adjourned at 7:19 PM.

FROM THE PRESIDENT'S DESK
BY DON VARY KDØHHN

Hello everyone. Well another month gone by and cooler weather approaching. Time to check you antennas, coax, etc. to make sure they are ready for winter. At the October meeting I brought up that starting next month we will be doing classes on message handling. This will involve the ARRL radiograms, as well as some of the NIMS message forms. My reasoning for this is that when it hits the fan, we will be called upon to help pass messages into and out of a disaster area. By doing this training before it happens, I feel we will be

better prepared to do this. This would also make us more presentable and valuable to agencies that we may be called upon to support. If you know of any Amateur Radio operators who would be interested in participating, they are welcome to attend. I ask that you let me know in advance, so I can have enough materials available for everyone. Until next time, see everyone down the log.

N0QJC Equipment List

Radio Shack DX302 HF receiver (need repair)
Radio Shack DX160 HF receiver + speaker
Pyramid PS26K 25amp variable power supply
Astron RS35A 25amp power supply
Solitron SPS4 4amp power supply
Colrad P828 1.5amp variable power supply
Motorola TPN1136A 7.5 amp power supply
Yaesu FT2800M 2 meter mobile
Motorola MARA TRAC 125 watt 2 meter mobile
Alinco DJ175 2 meter HT (needs battery + charger)
Uniden BC350A scanner
Radio Shack TRC207 CB HT 40 channel
Radio Shack TRC225 CB HT 40 channel (RX is poor)
Radio Shack HTX202 2 meter HT(needs RF final, battery, charger)
Radio Shack HTA20 2 meter RF amplifier
Radio Shack 21-525B SWR meter
Royce 2-099 SWR meter
Vanco SWR-3 SWR meter
Mura CBM-20 SWR, power, field strength meter
Uniden 510XL mobile CB
Uniden Bearcat 980 mobile CB
Sencore FE14 VOM
Eico 232 VTVM

Heath Kit HD1416 CW oscillator + J38
Heath Kit scope demodulator probe
MFJ 812B (2 and 1.25 meters) SWR, power, field strength meter
GE 5" speaker
2 Midland 21-404 speakers
Pyramid 3" speaker
mobile 3" speaker (grill broken)
Workman CX-3 3 position coax switch
homemade 2 position coax switch
Motorola Maxar 1 channel UHF mobile
Motorola Radius 2 channel VHF mobile
Radio Shack 30 MHZ frequency counter
Cobra 139XLR CB (need alignment)
Turner Super Sidekick
Kenwood TR7400A (needs tone unit)
mag mount uhf/vhf antenna
Pearce Simpson 16 channel scanner
random coax and wire
